AEROSPACE MEDICINE GRAND ROUNDS

“Narrative Ethics”

Mark A. Clark, Ph.D.
Assistant Professor
Institute for the Medical Humanities
UTMB, Galveston

8:00 AM CST, Tuesday, November 26, 2013

Broadcast Live from Universities Space Research Association (USRA)
3600 Bay Area Blvd., (at Middlebrook Drive) in Clear Lake, TX
Simulcast to UTMB in the Televideo Conferencing Room, 5.521 Levin Hall

Supported By: UTMB Aerospace Medicine Residency
University of Texas Medical Branch And USRA Division of Space Life Sciences

Disclosure Statement (Speaker): Dr. Clark has no relevant financial relationships
with commercial interests to disclose

Objectives:
1.) Distinguish the ethical dimensions of autobiographical narrative and self-representation.
2.) Recognize the therapeutic value of life-writing and correlate this with the ethical challenges of
self-care and professional responsibility.
3.) Discuss the ways that narrative may serve as a bridge amongst the diverse cultures of those
dedicated to the work of the space program.

Webcast: To view Grand Rounds using a PC, download the latest version of Apple Quick Time Player, reboot and enter URL – http://129.109.152.33/stream.sdp
