### INTRODUCTION

The text of your abstract should match this format. Please make sure that your paper size is set to U.S. letter (8.5" x 11") before submitting your abstract. Page margins should be set at one inch on all sides. Your finished abstract should be no longer than one page. If you are including tables or figures, they **MUST** be imported into this file.

### DIGITAL FORMATS

Line drawings AND photographs can be easily converted to high quality digital format by using ordinary flatbed scanners and accompanying software. Any image file format that can be imported into this file will be acceptable for publication. We also ask that you use smaller format files wherever possible.

### HEADING STYLES

#### Second Level Head

The format for first level heads is all caps. The format for second level heads, caps and lower case, is shown above and below.

#### Second Level Head

This is another example of a second level head. Please make sure your default font is Times New Roman.

### REFERENCES

If you choose to use references, please use the following brief numbered style, e.g., [1], [2], etc.

References should then appear in numerical order in the reference list, and should use the following abbreviated style.

[1] Author A.B. and Author C.D. (1997) *Am J Physiol* 109, 889-894. [2] Author E.F. et al (2000) *J Appl Physiol* 200, 543-545. [3] Author G.H. (2001) *Aviat Space Environ Med* 72, 157-159.
